

# Programme Management in Africa

Active in Africa since our foundation in 1952, we have built a long track record in strengthening societies through education and training.

We promote and mobilise Dutch knowledge and expertise to match demands of our partner countries.

## Our work in Francophone Africa

- ✓ Our institutional collaboration projects extend to Mali, Burkina Faso, Niger, Benin, Senegal, Burundi & DR Congo.
- ✓ Dutch knowledge institutions also offer Tailor-made Training and scholarship courses in French.
- ✓ We proactively involve alumni in our programmes' promotion.

## Our focus on TVET

- ✓ TVET (technical & vocational education & training) projects we manage focus on improving the employability of graduates.
- ✓ We facilitate institutional collaboration between African and Dutch TVET institutes.
- ✓ We involve the private sector to address the mismatch between jobs and skills.
- ✓ Dutch education is known for bridging the gap between theory and practice and Problem-Based Learning.

## Our regional office in South Africa

- ✓ The Nuffic Netherlands Education Support Office (NESO) is based in Pretoria.
- ✓ The NESO team facilitates higher education collaboration and exchange and manages our programmes in South Africa, Mozambique & Tanzania.
- ✓ They also kickstart innovative collaboration initiatives such as #cocreateMYCITY.
