

Prof T E Cloete CEO

The CHEC three-pillar approach to regional co-operation

Cape Chamber of Commerce and Industry

Portfolio committee for innovation capability

Specific objectives

To link University expertise to Industry prioritised needs, in a structured way, for mutual benefit:

1. To identify leaders and experts teams for each of the Business Environment PCs, to work with Industry to resolve prioritised issues and/or pursue opportunities to unlock faster economic growth.
2. To support us to onboard these teams to function with efficacy asap.
3. To contribute some financial resources as deemed fit for purpose to succeed with above.

Platform for systematic cooperation by Industry with other key role players in the WC economic eco-system
